WHAT IS 'SKILLS SUPPORT FOR THE WORKFORCE'?

Skills Support for the Workforce (SSW) is a programme developed to upskill employees within small and medium-sized enterprises (SMEs) in Northamptonshire.

We work with you to develop a bespoke training programme relevant to your needs, and because this programme is co-funded by the European Social Fund (ESF) and the Education and Skills Funding Agency (ESFA), you can develop your workforce at no extra cost to your business.
